

**Notice of Tentative Acquisition Strategy**  
Training Data Products Contract (TDPC) Multiple Award Contract (MAC)  
Small Business Set-Aside Task Order

**Program Title:** US Navy and US Marine Corps Training Programs Curriculum Revision and Maintenance (R&M)

This contract action is being conducted pursuant to the procedures at FAR Subpart 16.505 under the auspices of Training Data Products Contract (TDPC) Functional Area III LOT II, a Naval Air Warfare Center Training Systems Division (NAWCTSD) Multiple Award Contract (MAC). Therefore, pursuant to FAR Subpart 5.202(a)(6) and 16.505(a)(1), this contract action is exempt from synopsis requirements. However, to increase transparency of NAWCTSD requirements and increase opportunities for subcontracting, notice of this opportunity is being provided. Only Training Data Products Contract (TDPC) Functional Area III LOT II Prime Contractors (contractors previously awarded a contract within this vehicle) are considered an interested party in this contract action. All inquiries regarding participation as a subcontractor should be submitted to a Prime Contractor for consideration. Any documents available for this contract action not otherwise attached hereto, including but not limited to Solicitations, Statements of Work (SOW), and Specifications will be made available only to qualifying Prime Contractors. Interested subcontractors may contact Prime Contractors for access to these documents. A list of NAWCTSD MAC Prime Contractors and their Points of Contact (POCs) may be obtained via the following link. <http://www.navair.navy.mil/nawctsd/EBusiness/BusOps/MACHolders.cfm>

**Task Order Description:** NAWCTSD intends to award a Firm Fixed Price task order, utilizing Fair Opportunity (FAR 16.5), under the Small Business Set-Aside portion of the TDPC MAC for the US Navy and US Marine Corps Training Programs Curriculum Revision and Maintenance (R&M). The Naval sites to be supported under this task order include: MCAS Cherry Point, Havelock, NC. Marine Attack Training Squadron 203 (VMAT-203), Marine Tactical Electronic Warfare Training Squadron 1 (VMAQT-1), KC-130 Fleet, Replacement Detachment (FRD), MCAS New River, Jacksonville, NC. Marine Heavy Helicopter Training Squadron 302 (HMHT-302), NS Norfolk, Norfolk, VA. Airborne Mine Countermeasures Weapon Systems Training School (AWSTS), and MCAS Camp Pendleton, Oceanside, CA. Marine Light Attack Helicopter Training Squadron 303 (HMLAT-303) and Marine Medium Helicopter Training Squadron 164 (HMMT-164). The resultant task order will be for a total of 56 months consisting of a five month base period which may include a two month mobilization; followed by four 12 month option periods, and a three month option period. The estimated award date will be 31 May 2017.
